

Falcon Heights Church, UCC is a congregation of big hearts and deep thinkers where all are welcome. Nestled between the Twin Cities of Minneapolis and St. Paul, the city of Falcon Heights has both an urban and suburban feel. Featured attractions just down the road from our front door are the Minnesota State Fairgrounds and the University of Minnesota's agricultural campus, both of which bring a country landscape to the neighborhood. With a rich tradition of multigenerational membership since 1939, our church remains committed to spiritual development through weekly worship, outreach ministries, and faith formation for all ages. Individual services such as marriages, baptism, confirmations, and funerals are important to us, yet we feel drawn to serve others as an open and affirming congregation and a leader in social justice. We also value our strong tradition of choral music and our growing inclusion of contemporary hymns and varied accompaniment. Over the past two years we have embarked on an intense discovery and interim period. We are developing a better understanding of our strengths and weaknesses and our covenant expectations for thriving together. "To speak the truth in love," is a promise we reaffirm at every meeting. As "seekers and servants growing in God's transforming love", our vision remains focused on love, community, inclusivity, and spirituality. We are calling a pastor willing to partner with us and guide our journey into the future. We pray for both your search and ours.
