

First Congregational UCC is a community church located in Glencoe, a quiet community of 5000 with great schools, medical care, a growing manufacturing community, and excellent housing opportunities, located just 45 miles from the Twin Cities metro area. We have served this community for over 150 years. First Congregational UCC has a beautiful building in the heart of Glencoe's residential area. We are a mission-oriented church with hard-working members.

We are seeking a warm, outgoing pastor who enjoys preaching with a modern twist to help keep our young people interested in attending church. We seek a pastor who is an effective speaker with great leadership abilities, works well with others--including children and youth, is accepting of people with different views, is a compassionate and caring person, and builds a sense of fellowship among the people with whom the pastor works.

We are excited to share our profile and look forward to meeting a new leader who can guide our church in spiritual growth.

Contact Marita in the Minnesota Conference office (maritak@uccmn.org or 612-871-0359) to have your profile sent to the search committee.
