

The United Church of Mapleton, dually aligned with the ABC and UCC is a community church located in a quiet community of 1756 with a great school, medical clinic, and employment opportunities. We are located 20 miles from Mankato, 100 miles from the Twin Cities of Minneapolis and St. Paul, and 90 miles from Rochester and the Mayo Clinic. We have served the community for over 150 years. Our church is very active in both the local youth center and the food shelf. We contribute to both denomination's major mission offerings.

Our church recognizes the Bible as the sufficient rule of faith and the teachings of Jesus to be the true test of Christian fellowship. Each member has the right to interpret the Bible according to the dictates of his/her conscience. We seek a pastor who is a good worship leader, has good communication skills, and enjoys ecumenical co-operation with area churches and the community in general. Additional ministerial duties include guiding our church in spiritual growth, building a sense of fellowship among the people with whom the pastor works, and various administrative duties. Our minister needs to perform baptisms, weddings, and funerals. We look forward to sharing our profile and meeting you!
