

**Community United Church of Christ is a congregation of extravagant welcome. We are located in the southeast metro area of the Twin Cities, just 15 minutes from Saint Paul. As the only Open & Affirming congregation in our region, we are centered in a growing suburban area, which includes Cottage Grove, Woodbury, Hastings, Oakdale, and Inver Grove Heights. With nearly 130 years of history, our congregation of 100+ members is strong in faith and dedicated to the ongoing success of our church, community, and the world beyond. We are searching for a minister who is a strong preacher, effective administrator, and empowering of lay people in our mission of “Welcome, Nurture, and Serve”. Working together, our congregation seeks to expand and further develop our social justice focus, outreach to people in need, and to further God’s mission.**

**We are prayerful that God will guide us as we seek to call a pastor who will fulfill our needs and theirs.**

**Amen.**
