

Zwingli United Church of Christ Want Ad

The Zwingli United Church of Christ in West Concord, Minnesota, is a UCC congregation seeking a $\frac{2}{3}$ time Pastor.

About Zwingli United Church of Christ

Zwingli United Church of Christ is a welcoming, close-knit congregation of 125 members, located 25 miles northwest of Rochester, MN. Established in 1872, our hard-working, loyal parishioners come from several surrounding communities to join in worship and community in our beautiful rural setting. We have seen renewed growth in recent years and hope to continue growing in membership and Christian ministry. We value music and sermons applicable to our daily lives. Our main outreach activity is our Berne Wood Fired Pizza ministry, where we partner with area churches and organizations to spread the Good News and raise money for charity. The pastor's schedule may be set up in a way that meets his/her needs, except for Sunday and special seasonal services.
